

Rack Guards

Designed to help prevent rack and shelving damage

Material Handling - Rack Guards

Eagle Rack Guards are designed to help prevent rack and shelving damage from forklifts and pallet trucks.

- Constructed of yellow High Density Polyethylene (HDPE)
- Quick and easy snap on design
- No tools required for installation
- Can be stacked to desired height to comply with the international standard of 40.6 cm
- Narrow profile minimizes interference with valuable storage space

Recommended use

- For placement around warehouse and factory columns and beams. Absorbs impact from tow motors, minimizing column, fork truck, and personnel damage and injury

Colors:

- Yellow

Sizes:

- 15.3cm x 12.7cm

Material Handling - Rack Guards
